EXHAUST DUCT

Flexible Duct Design To Fit Your Exhaust Duct Requirements

Spray Systems Exhaust Duct And Accessories

We provide all of the necessary components for exhausting your spray booths, flash tunnels, ovens and more. Complete duct options in square, round and spiral configurations are available. These options come in the following standard sizes: 6", 12", 18", 24", 34", 42" and 48" – custom sizes are available based on your size requirements. All duct components are fabricated from galvanized sheet metal for superior resistance to rust and corrosion and meet NFPA 33 booth exhaust requirements.

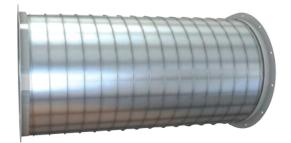

SOUARE DUCT

(includes mez connections as needed)
